Snowflake Dinner | Dance - November 12th

There was a great turn out at the Snowflake Dance with many raffle prizes taken home. The variety of potluck choices made it virtually impossible to sample everything, but I tried! I think everyone so enjoyed the food and chatting with friends (old and new), that they all forgot about the dancing part of the dance! Oh well, the Christmas party is coming soon! Thank you to John & Diane and all your helpers for making this a fun event!Bob....

President's Report *John Sullivan*

How quickly the weather changes this time of year. Three weeks ago I had serious doubts that the lake would freeze and presto I woke up this morning to -20 and solid to the island. We've had a good snow base for the season fall, but I hope this cold will push down and freeze the many water puddles. I've started both of our machines and made a quick pass around the property.

Art has added a 4,000 pound winch to the front of the Bombi. With the snow, he was able to make a quick test drive around the firehall. We will move the Bombi to its new home at the clubhouse this month. The Bombi shed is now at lockup. A man door with lock has been added and the garage door entrance was completed with help of my neighbor Jerry Goosen. Darrell Rogers helped complete the floor, spreading a few yards of crush. Thanks to all that donated materials and helped with this renovation.

On November 10 we took a crew to clear the MacIntosh to Crater Lake and Access 10 to Jim Lake. On December 5 we cleared the trail from Pressy Lake to the Siwash Ranch road. Thanks to the many that were involved in these activities. I know many of you have been clearing the trails by your self or with others. Can you please contact me about time spent so I can include it in our Trails Annual Report.

On the social side the Snowflake Dinner was a great success. Thanks for the many that helped out. We look forward to Pat and Miriams's Christmas Dance and Jack's New Years party. Keep January 21 open for the Pig Roast and Dinner!

Best wishes for the season and do a snow dance on the holidays.

Jack Keough and the "Band"

5th Annual New Years Eve Party | Dance at the Snowmobile Clubhouse

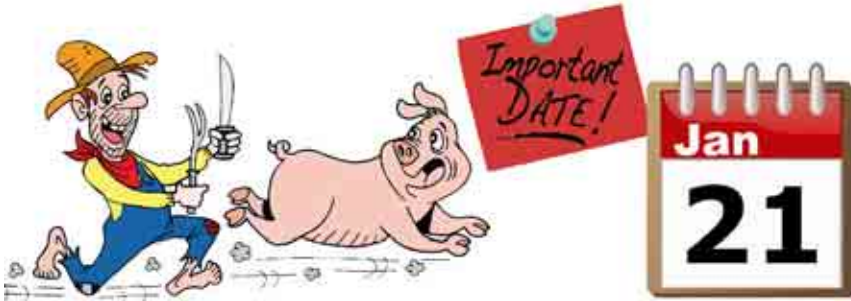

After a year in Thailand, Bob Westfall is happy to be back in the lineup to co-host this year's 5th annual New Year's celebration at the Green Lake Snowmobile clubhouse. The musical lineup for this year includes:

Bob Westfall (vocals, harmonica, lead guitar);
Sean Keough (drums and vocals);
Doug Fenwick (bass, vocals and guitar);
Jack Keough (guitar, harmonica and vocals).

The band plays mostly classic country, rock and roll, blues with some contemporary covers. Bob Westfall will perform some of his original music inspired by his Green Lake roots and interspersed with tales of his cross Canada tour that began in 100 Mile House and is just ending. Ask him about his Laundromat experience in Thunder Bay?!

Doors will open at 8:30 and the music will begin at 9:15. It's a BYOB event but there will be some mix and snacks. Please bring a small appetizer or snack as there is an assortment for nibbling throughout the evening. Friends and guests are welcome. There is no charge but there will be a 50-50 draw in support of the Snowmobile Club as well as membership applications will be available for those wishing to join the club.

Last year we were joined by a handful of local musicians during the 'Open Mike' portion of the program and we are confident there will be more 'cameo' appearances! See you at the clubhouse and bring your New Years' noise makers and dancing shoes!

Green Lake-Nolan Lake Forest Service Road closure

100 MILE HOUSE – Recreation users and residents are advised that the Green Lake-Nolan Lake Forest Service Road in the 100 Mile House Forest District has been closed indefinitely due to safety concerns.

BC Timber Sales closed a small section of the road on Dec. 1, 2016, due to a decaying wooden culvert near the 5.5-kilometre mark. This section of road is not passable by motor vehicles or recreational vehicles, including snowmobiles, all-terrain vehicles and other off-road vehicles until further notice.

The closure will not affect access to any homes or communities. The repair work is scheduled to take place during the summer or fall of 2017. BC Timber Sales thanks the members of the public for their patience during this time.

For more information about this temporary road closure please contact Krista Blades, Engineering Technician at 250 395-7845 or via email at: Krista.Blades@gov.bc.ca

Club Rides ...Sundays - 10:30 am

Sunday Club Rides

Weather permitting, riders are to be at the Clubhouse by 10:30 a.m. Bring a lunch as the ride may not include a stop at a local eatery. If temperature is colder than -12C, the ride will be cancelled.

Mid-week rides will take place "on demand" — day of the week to be determined.

The new 'Garage' is now complete, just the painting to be done next spring! Thanks, again, to the crew for the fine job on this project!

Also, thank you to Art for readying the Bombi for this season's grooming duties! The new winch will come in very handy for the occasional retrieval from the deep stuff! (Hopefully we get some of that!)

Sunday and Mid-Week Club Rides leave clubhouse at 10:30 am.

Please ensure your sled is registered, licenced, and insured per the current ORV Legislation!
